

Notice of Workshop on the California Department of Health Services Draft Determination on Lake Davis

The California Department of Health Services (CDHS) will hold a workshop to present CDHS' draft determination on the impact to drinking water quality and the need for alternative water supplies as a result of the implementation of the State Department of Fish and Game's proposed Northern Pike Eradication Project at Lake Davis. CDHS will also be seeking public comments on the draft determination at the workshop and will have staff available to address questions. The workshop will be held on Wednesday, February 21, 2007 from 6 PM to 9 PM at the Portola Station Baptist Church, 171 South Gulling Street, Portola.

The draft determination is available on the CDHS web site at: <http://www.dhs.ca.gov/ps/ddwem/>. In addition copies of the document are available for review at the Portola City Hall (35 Third Avenue), Plumas County Library in Portola (34 Third Avenue) and Quincy (445 Jackson) and the CDHS Division of Drinking & Environmental Management Office (1616 Capitol Avenue, Sacramento).
